

# 2010 TRANSIT Yearbook

## Personal Message Order Form

---

Both traditional and digital photographs will be accepted.  
Please follow the specifications

### Submission Guidelines:

On a separate sheet of paper, clearly write the message that you would like included in your personal message. Our design team will create a professional layout using the text and high quality photographs you provide.

Only original pictures, no photo copies or ink jet images will be accepted. There is no need to cut your photographs. If you indicate which portion of the photograph you would like to include, our staff can crop the photograph to that specification. We prefer high quality digital photos to create a very clear personal message, however, we will accept standard photos and we will do our best creating a high quality layout for your graduating senior.

Your original photos can be returned to you AFTER publication in Fall 2010, as long as you provide a self addressed stamped envelope and each image/art has a return label on the back of the photograph including your name and address written clearly.
